

Creating Your Mood Board in Picasa

Step 1

First select the photos you wish to include in your collage by highlighting them and clicking the collage button in the top menu. Arrange them the way you want and choose a background colour and size

Then click the button Create collage highlighted in yellow on the LHS

Step 2

Once the collage has been created (30-90sec depending on pc speed) click the 'Export' button at the bottom of the page and choose a file destination.

Resize to the largest pixel size. Then click export in the bottom menu
